## **ALLOWANCE**

### ***Allowable Subject Matter***

Claims 25-26 are allowed.

The following (previously indicated) is an examiner's statement of reasons for allowance: The prior art does not teach or fairly suggest searching means that adds a search point if a program matches a search condition and selects a program having a high search point, and the search condition includes a condition that the search point lowers more as the number of assignment times of the code by said assigning means for the plurality of processes is larger, as recited in independent claims 25 and 26.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John Manning whose telephone number is 571-272-7352. The examiner can normally be reached on M-F: 9:00 - 5:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, John W. Miller can be reached on 571-272-7353. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
